INNOVATIVES SOLUTIONS

STORAGE & TRANSPORT OF
LARGE FORMAT ROLLS.

WHO ARE WE ?

The observation of the working methods and handling of large-format rolls led us to think about new solutions.

Stock **and** Roll offers a real answer to printing workshops by offering innovative products for the transport and storage of large-format rolls.

With Stock **and** Roll your rolls are clean and protected, better stored, better managed and easy to handle.

Stock**&**Roll has been recognized by occupational medicine for its usefulness in the fight against musculoskeletal disorders (MSD).

Our advanced design allows you to save material, save time and increase productivity while improving the comfort of your team. Our products are distributed worldwide and come with a 5-year warranty.

THEY TRUST US !

OF YOUR ROLLS. REDUCE COSTS & INCREASE PRODUCTIVITY !

Save money easily !

Better stored rolls, better identified and always by your side !

Stock&Roll device is compact and mobile. Thanks to its patented system, it ensures an easy and safe transport in your workshop.

This offers working comfort to operators, avoiding them to carry heavy weight as only one person can easily move up to 6 rolls in one go.

Made in France
